CITY COUNCIL POLICY GOVERNING CITY BOARDS AND COMMISSIONS

Appointments:

Each individual interested in serving on a City board or commission shall complete the "City of Parker Appointed Boards/Commissions Application." As part of that, applicants should acknowledge their review of this policy. The application would then be returned to the Mayor's Office.

Reappointments:

Each year before October, all members of commissions or boards whose terms are set to expire will complete a "City of Parker Reappointment Application." The application will confirm the board or commission member's interest to continue or discontinue service. Reappointments are not automatic. The City Council shall review all appointment applications and appointed board/commission applications, then making its recommendation for appointment. It is the desire of the City Council to appoint or reappoint the applicant that will best compliment that particular board or commission.

Board Openings/Resignations:

Any board member that intends to resign, must forward a letter to their respective chair, who will then forward that letter to the Mayor. The resignation letter will be forwarded to the City Council for their acceptance. Upon notification of a citizen board resignation, city staff will advertise the opening immediately. The Mayor's Office shall contact all applicants previously on file to confirm whether interest in serving on that board still exists. The Mayor's office will contact the board Chair for any thoughts or comments on filling the vacancy. The Mayor will forward all of the applications on file as well as any comments from the board to the City Council. The City Council will review all applications and staff recommendations then make their board appointment. The Mayor's Office will send a letter of appreciation to individuals resigning from a citizen board and a notice to the newly appointed board member.

Attendance Policy:

Members of citizen boards or commissions are expected to attend meetings on a regular basis. A board member should inform the Chair or City Staff if they will not be able to attend the meeting. The City Clerk or secretary of each board will forward to the Mayor the attendance record of all members on a quarterly basis. The Mayor will review these records and contact those individuals that have missed at least three meetings in the previous twelve months. The Mayor will then forward that information to the City Council for their review and possible action. Three absences in a twelve month period may constitute sufficient grounds for removal of member with such an attendance record by the City Council.

Orientation:

The Mayor shall provide an orientation for all new citizen board or commission members that includes a review of enabling legislation for that board or commission, Modern Rules of Order, historical perspectives on work of the board or commission, and any other material appropriate to the work of the particular board or commission such as by-laws, traditional practices, etc.

Training Requirements:

The increasing complexity of municipal operations and the potential for legal challenges to recommendations and decisions made by appointed and elected officials makes it increasingly important for members to receive proper training in order to carry out their roles and responsibilities. The following boards shall be required to attend appropriate training in their particular specialty within one month of appointment:

Planning Board, Citizen Advisory Board, and Infrastructure Committee

Thereafter, the above boards shall continue to attend a minimum of one workshop, training seminar, etc. per year with prior approval by the Mayor and/or City Council.

All boards are strongly encouraged and may be required to attend training that enhances their ability to effectively serve. Continuing education efforts of board or commission members will be a consideration for reappointment.

Preparation

The City's boards prepare an agenda prior to each meeting and many provide related materials. Each board member will be expected to come to each meeting prepared to discuss the relevant issues, having reviewed any provided documentation. Board members will be expected to arrive at meetings on time, in an alert condition, and with an open mind so that meeting will be conducted in an efficient and fair manner.
