Proposed ordinance's title/reference:

ORDINANCE NO. 2023-418

AN ORDINANCE OF THE CITY OF PARKER, FLORIDA, AMENDING THE CODE OF ORDINANCES OF THE CITY OF PARKER (ORDINANCE NO. 2010-349, AS AMENDED); AMENDING CERTAIN PROVISIONS OF CHAPTER 54 OF THE CODE OF ORDINANCES RELATED TO HOURS OF PARK USE; PROVIDING FOR SPECIFIC RESTRICTIONS RELATING TO THE FISHING PIER; PROVIDING FOR SEVERABILITY; PROVIDING A MECHANISM FOR THE CORRECTION OF SCRIVENER'S ERRORS; PROVIDING FOR THE LIBERAL CONSTRUCTION OF THIS ORDINANCE; PROVIDING FOR CODIFICATION AND REPEALER CLAUSES; AND PROVIDING FOR AN EFFECTIVE DATE.

This Business Impact Estimate is provided in accordance with section 166.041(4), Florida Statutes. If one or more boxes are checked below, this means the City is of the view that a business impact estimate is not required by state law[1] for the proposed ordinance, but the City is, nevertheless, providing this Business Impact Estimate as a courtesy and to avoid any procedural issues that could impact the enactment of the proposed ordinance. This Business Impact Estimate may be revised following its initial posting.

c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

Ordinance 2023-418 would regulate the times of use by the public of parks within the City including but not limited to the fishing pier. Those limited times would potentially decrease outdoor sound levels late at night and in the early morning. The ordinance furthers public health, safety and welfare by limiting hours of use, of parking and consequently of roadway travel and fostering safety in the use of the fishing pier.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City, if any:
(a) An estimate of direct compliance costs that businesses may reasonably incur;
(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible; and
(c) An estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs.

There are unlikely to be direct compliance costs associated with Ordinance 2023-418. No new charge or fee is imposed by the Ordinance for which businesses in the City will be financially responsible. There may be indirect compliance costs incurred by persons who would have to remove vehicles and properly dispose of trash and garbage. The City may incur increased, indeterminate regulatory costs associated with code compliance. Existing fees and costs may be incurred as a part of code compliance, the amounts are currently not determinable.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

Ordinance 2023-418 does not impose any new charge or fee on businesses. The City may incur increased, indeterminate costs associated with monitoring the activity in the parks, especially the fishing pier, to ensure compliance. There are no new charges or fees that will be imposed on businesses by the proposed ordinance to cover the City's costs of ensuring compliance.

4. Additional information the governing body deems useful (if any):
The proposed ordinance is a generally applicable ordinance that applies to all persons similarly situated (individuals as well as businesses) and, therefore, the proposed ordinance does not affect only businesses.
